

EquidDoc
Veterinary Services LLC

Associate Equine Veterinarian (Full-Time)

Massachusetts | Ambulatory Equine & Small Ruminant Practice

EquidDoc Veterinary Services is seeking a motivated Associate Veterinarian to join our growing, privately owned ambulatory practice in Central Massachusetts. Our team provides comprehensive on-farm care to a diverse caseload consisting of approximately 90% equine and 10% small ruminants, with an emphasis on quality medicine, client education, teamwork, and work-life balance.

Why EquidDoc?

- Established multi-doctor practice with dedicated technician/assistant support
- 100% mobile practice with a fully equipped veterinary truck provided
- Four-day work week
- Diverse caseload including preventative care, dentistry, lameness and performance medicine, emergency care, mare reproduction, and herd health
- Strong team culture focused on mentorship, communication, and professional development
- Mobile equipment including digital radiography, digital ultrasound, endoscopy/gastroscopy, regenerative medicine therapies, and power dentistry

Qualifications

- DVM/VMD degree and Massachusetts veterinary licensure (or eligibility)
- Internship training or at least one year of practice experience preferred
- Excellent communication and client-relations skills
- Interest in ambulatory equine practice and client education
- Sports medicine, acupuncture, or reproductive experience a plus
- Clean driving record
