- Safely handle and restrain equine and small ruminant patients
- Process diagnostic samples and assist with medication preparation
- Maintain equipment, inventory, and veterinary vehicles
- Document treatments and maintain accurate medical records
- Provide professional client communication in the field and by phone/email

Qualifications

- 2+ years of veterinary experience (equine experience strongly preferred)
- Strong equine handling skills required
- CVT/LVT/RVT preferred but not required
- Experience with diagnostic imaging and laboratory procedures preferred
- Valid driver's license and clean driving record
- Ability to lift 50 lbs and work in an outdoor/mobile environment

Schedule

- Full-time preferred
- Primarily weekday farm-call schedule
- Seasonal variation typical of equine and large animal practice
